

2012 DUES

Your \$12 contribution to remain a lodge member in good standing entitles you to wear the flap and continue your activity in our honored Brotherhood. Dues help pay for this newsletter, lodge and chapter programs, service projects and contributions to support Scouting, and ceremonies, to name a few things. Remain an active member, and see what we can accomplish!

UNCAS SOCIETY

Named after one who freely gave cheerful service to other when required, the Uncas Society is a program of our lodge to recognize Arrowmen who give outstanding support to the lodge and Scouting within the Jayhawk Area Council. This support may be time and effort, or a monetary donation. Donations to the Uncas Society are set aside specifically for the funding of service projects and endowment contributions to the Jayhawk Area Council that help to support Scouting in the greater Topeka area. Donations between \$50 and \$100 are recognized by a flap with a white border; those over \$100 are recognized with the red-bordered flap.

I am donating \$_____ to Dzie-Hauk Tonga Lodge to become an Uncas Society donor for 2012.
